

OPTIMUM PAYMENT OPTIONS

The growth of health spas and beauty salons is not only bringing in more customers, it is bringing more of a demand for alternative payment options. Cardservice International's Spa/Salon (Spalon) Program was created specifically to offer health spas and beauty salons credit card, ATM/debit card, electronic check processing and check guarantee services. Our varied payment options bring merchants more business and give their customers some extra breathing room.

The Cardservice Spalon Program offers comprehensive, fast payment solutions for both single and multiple location spas and salons to help build brand awareness and increase foot traffic. With our payment processing program, accepting any form of payment is easier — and more profitable — for your salon. You get 24/7 support, gift card programs and world-class fraud prevention capabilities — all the perfect tools to help you boost revenue and client numbers, build customer loyalty, cut down on chargebacks and help eliminate credit card fraud.

For a limited time, Cardservice International is offering reduced rates and service fees, allowing you to embrace the health and beauty market and release the profit potential of this therapeutic trend.
